Unfortunately, I have a now have a Superior case for 08/20 with a summons. I currently do not have summons for Lynn District.

Protective Order:

It is an order from a judge protecting you from contempt actions in other courts for failure to appear on subpoenas to other courts.

This guy is just desperate for you to come in on his case and wants you to know that he will get a court order to protect you against having to go to other courts while you are testifying on his case
